MATHS NIGHT AND PLANKS WORKSHOP 2018

What do pirates, Harry Potter and football have in common...Maths! From the swinging 60's with the Preps to brain teasers in Year 6, Maths Night 2018 was a huge success. Students across the school enjoyed a wide range of engaging Mathematics based activities. Thank you to the entire school community for supporting the event. I hope you all enjoyed yourselves, I sure did! Congratulations to Ben O, Hamish M and Beau H, the winners of the evenings prize draw. They made a huge effort to complete **ALL** of the activities.

During the day students Prep to 6 participated in a planks workshop in the gym, where they applied critical and creative thinking, problem solving and geometry skills to create some amazing structures. Well done to all who participated!

Mrs Gunn and The Maths Team.

SPORT NEWS

SOUTHERN PENINSULA DIVISION WINTER CHAMPIONSHIPS

SOCCER

The Year 5 & 6 girls soccer teams went to Dallas Brooks Oval to compete in the Division Soccer Playoffs. Both teams played really well and reached the grand final. Unfortunately both were beaten in the grand final but a fun morning was had by all. Both boys and girls played well as a team and showed good sportsmanship.

Thank you to all parents who came along to support and a special thank you to Mel from Absolute Soccer for running training sessions for both teams in Term 2 & 3.

NETBALL

Last week our school netball team played at the Southern Division Netball competition against other Districts. Our girls played remarkably well winning the first match, playing the best they can and as a supportive team. The Grand Final was against Rye which was a hard task but with determination they finished 2nd overall.

Thank you to all the parents who supported the girls on the day and Miss Meyer for coaching the team.

TEEBALL

Well done to the MMPS girls tee-ball team who played on last week at Wilsons Road.

The girls played two games, the first against Flinders which was very close and saw them winning by only one run. In the final the girls played Mount Eliza and won convincingly.

Well done on playing so well, supporting each other and demonstrating such good sportsmanship. Also a big 'thankyou' to all the parents who helped with transportation to and from the event and those who came and watched.

REBEL COMMUNITY KICKBACKS PROGRAM

Our school has been selected to participate in the Rebel Community Kickbacks Program. Under this program, the school can earn 5% of your purchases at Rebel Sports as in-store credit to spend on our school sports programs.

All you need to do is join Team Rebel, select our school from the list of participating groups and swipe your loyalty card every time you make a purchase at Rebel Sports. You'll receive access to great member prices and other benefits and the school will receive a 5% credit from everything you spend. Thanks for your support.

20 18 PARENT OPINION SURVEY

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Approximately 30 per cent of parents will be invited to participate in this year's survey. All responses to the survey are anonymous. This year the Parent Opinion Survey will be conducted from **Monday 23rd July to Sunday 26th August**.

The survey will be conducted **online**, only takes **10 - 15 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The survey results will be reported back to the school at the end of September.

For further information please contact the school office on 5974 2800.

Thank you.

The Administration Team

Keeping you in the Literacy Loop

Welcome back for Term 3! After Student Led Conferences and assessments in Term 2, teachers and students have set new Literacy goals and begun working towards these together. We look forward to sharing some samples of exemplary work in the Banksia Bulletin this term.

Term Three Activities

We have some exciting activities planned for the three weeks beginning Monday 20th August, in celebration of Literacy and Numeracy Week, Book Week and Indigenous Literacy Week.

Aboriginal and Torres Strait Islander histories and cultures

The Aboriginal and Torres Strait Islander priority in the Australian Curriculum provides opportunities for all learners to deepen their knowledge of Australia by engaging with the world's oldest continuous living cultures. This knowledge and understanding will enrich their ability to participate positively in the ongoing development of Australia.

We continue our goal at MMPS to make connections to Indigenous Culture and learn more about Indigenous Literature with new resources recently purchased for our Library and on-going connections planned as part of inquiry units across the school.

Check out next week's BB for information about Literacy and numeracy Week and the CBC Shortlisted Books!

All money raised from the Dress up day will go to the Indigenous Literacy Foundation to support literacy development in indigenous communities.

Book & Movie Character Dress-Up Day

Tuesday 4th September

Come to school dressed as your favourite book or movie character!
Gold Coin Donations please!

Want to know more about Literacy and Numeracy Week or The Indigenous Literacy Foundation? Check out the following links for loads of information and ways that parents can get involved.

<http://www.literacyandnumeracy.gov.au/>

<http://www.indigenousliteracyfoundation.org.au/>

In next week's BB stay tuned for information about Literacy and Numeracy Week and the CBCA Shortlisted Books.

Have you noticed that our Little Free Library has had a facelift?

Our Super Talented artist, Rebekah Pryor has again created a masterpiece that truly reflects our school's commitment to both a love of literacy and the environment. The bird themed library will welcome readers to new books each time it is visited! Thank you to Andrew Pryor who carefully rebuilt our Little Library.

Now all we need are some new books to add to it! Please donate any good quality unwanted books to our LFL by placing them in yourself to be enjoyed straight away, or leave them at the school office to be added when there is room!

WORKING BEE at MMPS!

Dear Parents - we are asking for your help at our
Term 3 Working Bee!

Date: Saturday August 18

Time: 9am - 12pm.

If you can bring along useful tools like a wheelbarrow, spade, pitchfork (for mulch), shovel etc that would be very helpful. Make sure you wear footwear that is appropriate for outdoor tasks. We do have some equipment ie gloves, protective glasses but it would be helpful if you bring some too! Thanks.

****We have purchased 5 new outdoor seat/tables that need to be assembled and then placed in position near basketball courts – that will be our main focus for the morning!**

All children must be accompanied by an adult.

Morning tea is provided.
